New York Medicine Doctors is a multi-specialty practice focusing on the areas of Gynecology, Urology, Internal Medicine, Vascular Care, & Aesthetics at our Medical Spa.

We take pride in offering the most innovative services and treatments, utilizing cutting-edge medical technology, and embracing a culture of teamwork within our disciplines. As a leading health provider in the tri-state area, our experienced team of board-certified doctors and clinicians provide the highest level of care for every patient who walks through our door.

At New York Medicine Doctors, our goal is to keep our patients at their optimum health and address the ailments they are faced with. We have a multitude of tests and treatment methods that can be utilized to diagnose and treat our

patients properly. While the range of conditions we treat is wide, rest assured that we are well versed in every area of medicine we provide. If you find yourself plagued with any of the below issues or conditions, we'll be able to help:

As professional Gynecologists, we bring a holistic approach to medicine in order to find comfortable and effective solutions for everyone.

New York Medicine Doctors provide high-quality urology care and urologic surgery to people of all ages

No matter your age or gender, visiting a internal medicine doctor is often the first step in receiving more involved medical attention.

Our experts combine compassion and medical expertise to help you through your treatment and provide relief so you can safely return to your daily routine.

Experience the cutting-edge Morpheus8, the newest, safe, and minimally invasive skin resurfacing treatment now offered at New York Medicine Doctors.

At New York Medicine Doctors, our team can help diagnose and treat some of the most common women's health-related conditions.

Even if you feel healthy, it is still necessary to visit your primary care physician regularly to catch any irregularities in their earliest, most treatable stages.

Join us as we honor 5 exceptional women who have made major contributions to the field of medicine. From breakthrough pharmaceuticals to advanced research discoveries, these women helped shape the trajectory of U.S medicine and deserve applause for progressing healthcare in America.

I was in and out, Dr. Tamara was very informative and had a lot of patience with me as well as answered all my questions!

Olynda D.

She is thorough and respectful. She definitely knows what she is talking about, very skilled and professional

Jayna T.

Dr. Guichard is very caring and responsive. I had a lot of questions and she was very patient with me. Highly recommended.

Yan-Jung C.

She was amazing I would recommend her after just one visit. She was very knowledgeable and made me feel comfortable.

Erin L.

A great caring doctor that makes all the procedures very comfortable.

Jason L.

Great great great urologist knows exactly what he's talking about, doesn't like to prescribing medicine is his last option.

Jeanette R.

Very thorough excellent care everyone was very intensive I would highly recommend this doctor I was very pleased.

Andrew M.

It was very pleasant to be there..the doctor and the staff very professional. The service was excellent.

Ricardo M.

Very knowledgeable, friendly and nice doctor. Answered all my questions and addressed my concerns. I'll definitely return.

Meng T.

Dr McBride was so lovely and caring. I was put at ease straight away. I will definitely be going to her in the future!

Emer R.

```

"The world as we have created it is a process of our thinking. It cannot be changed without changing our thinking."

"It is our choices, Harry, that show what we truly are, far more than our abilities."

"There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle."

"The person, be it gentleman or lady, who has not pleasure in a good novel, must be intolerably stupid."

"Imperfection is beauty, madness is genius and it's better to be absolutely ridiculous than absolutely boring."

"Try not to become a man of success. Rather become a man of value."

"It is better to be hated for what you are than to be loved for what you are not."

"I have not failed. I've just found 10,000 ways that won't work."

"A woman is like a tea bag; you never know how strong it is until it's in hot water."

"A day without sunshine is like, you know, night."
